4. The impression given on the application for pension will serve in the auditing office as a permanent record of the impression, while that given on the separate slip will be pasted on the Disbursing Officer's half of the Permanent Pay Order.

5. In the case of non-service pensioners, the thumb-impression shall be made on the Descriptive Roll in presence of the officer preparing the roll.

6. In the case of non-service pensioners an impression shall also be taken, by the office preparing the Descriptive Roll, on a separate slip of paper, and this shall be sent together with the roll to the auditing officer.

7. In the case of non-service pensioners, the impression given on the Descriptive Roll will form the auditing officer's permanent record, and that given on the slip will be pasted on the Disbursing Officer's half of the Permanent Pay Order in the space provided therein for the purpose.

8. On the first appearance of a pensioner on or after April 1st of each year the Disbursing Officer will, except in the cases of pensioners mentioned in Rule 10, take an impression of the thumb of the pensioner's left hand on his pension bill, and besides identifying the pensioner from the other particulars given in the Disbursing Officer's half of the Permanent Pay Order identify him from a comparison of the impression given on the bill with that pasted on the Permanent Pay Order, and in case of difference in the two impressions will refer the matter to the officer before whom the impression pasted in the Permanent Pay Order had been made.

9. Except Native Princes, European ladies, persons who have been gazetted officers and those specially exempted by Government (these exceptions being made on the ground that there can be no difficulty in future identification) all pensioners shall be liable to the operation of these rules.

10. Pardah ladies and illiterate pensioners shall give a thumb-impression on their bills before the person granting the life certificate, or in the case of illiterate pensioners who personally attend the paying office before the Disbursing Officer.

11. On the renewing of a Permanent Pay Order, the original impression shall be cut off from the old and attached to the new order.

12. Impressions should be taken in the following manner :—

A small quantity of ordinary printer's ink (which will be supplied by the Superintendent of Stationery, Calcutta), mixed with a very small quantity of sweet oil, should be well rubbed with an India-rubber roller on a tin slab until a very thin even layer is formed. The ball of the thumb of the left hand of the pensioner, after being wiped, should be laid on the inked slab and rolled from side to side (not rubbed) until sufficiently inked (this can be learnt from experience) and then lightly and carefully rolled on the paper on which the print is to be taken in such a way that the pattern of the whole of the ball of the thumb from side to side is clearly impressed on it. It must be specially borne in mind that any *side* movement, either at the time of applying or removing the thumb, will cause a smudge and spoil the impression.

13. In the case of pensioners now on the pension list, Disbursing Officers will, on the next occasion on which each pension is paid and after careful identification of the pensioner, take his or her impression on the Permanent Pay Order.

14. A thumb-impression should also be taken in the Service books of persons in service in the space for "Distinctive Marks." In all cases when an officer is sent for medical examination, the examining Medical Officer or Board should be asked to obtain the thumb-impression of the candidate for appointment, leave or pension on the medical certificate. This last impression should afterwards be verified with that in the Service book by the head of the office.

After the Vice-Chancellor had explained that the proposed amendments in the Regulations embodied the result of the careful deliberations of the Syndicate and of a Special Committee appointed by it and represented a suitable compromise between the demands of the Educational Conference and the principles hitherto maintained by the University in regard to private students, the above resolution was passed unanimously. (*See* Appendix VII.)

APPENDIX V.

Extract, paragraph 1, from Syndicate Proceedings, dated 17th March, 1899.

1. (*a*). The Syndicate considered the Budget Estimates of the Current, Endowed and other Accounts of the University as well as those of the Oriental College for 1899-1900, which had been prepared by the Board of Accounts and the Oriental College Committee, and had been previously circulated among the members.

After the Registrar had explained the calculations upon which the estimates for the Current Account had been based and had indicated the reasons which had led the Board to provide additional expenditure under certain heads of this Account, the recommendation of the Board of Accounts, as contained in paragraphs 3—6 of the Proceedings, dated 10th March, 1899, were approved.

(*b*). In connection with the Budget Estimates of the Current Account, the Registrar brought to the notice of the Syndicate the several heads of expenditure under which payments in excess of the amounts provided for 1898-99 had to be made owing to the increase in number of candidates and other reasons.

After the Registrar had submitted detailed explanations, the Syndicate sanctioned the excess expenditure as shown in the corresponding column of the new Budget Estimates.

(*c*). The recommendation of the Board as to the investment of Rs. 10,000 out of the floating balance at the commencement of the official year in Government Promissory Notes was adopted.

The Syndicate then resolved to submit the Budget Estimates of the several University Accounts as well as those of the Oriental College Budget, together with the recommendations of the Board of Accounts as contained in their Proceedings of the 10th March, 1899, to the Senate for adoption, as shown in Appendix.

APPENDIX.

I

Proceedings of the Board of Accounts of the Panjab University at a Meeting held in the Senate Hall, Lahore, on Friday, the 10th March, 1899, at 5 P. M.

PRESENT:

T. GORDON WALKER, Esq., C. S., *Vice-Chancellor, in the Chair.*
Rev. J. C R. EWING, D. D. | Dr. M. A. STEIN, *Registrar.*

The Board first considered the Budget Estimates of the Oriental College which had been adopted by the Oriental College Committee (see Appendix A), and after ascertaining that these estimates had been framed on the basis of the sanctioned establishment and previous resolutions of the Syndicate or Senate, resolved to submit them to the Syndicate for approval.

2. The Board next examined the Budget Estimates for the Current Account of the University for 1899-1900, of which a draft in print had previously been circulated by the Registrar among the Members.

The Board satisfied itself in each case by reference to the explanations given by the Registrar as to the actual receipts of the closing year and the detailed calculations made of the expected income in the new financial year, that the figures shown for each item of receipt were such as could be safely accepted.

3. With regard to the expenditure side the Board resolved to provide, under the head of "Law School Instruction," for an increment of Rs. 25 per mensem in the salary of Lala Sangam Lal, Law Reader, as proposed by the Law School Committee and the Law Faculty (*see* Proceedings No. 3, dated 3rd January, 1899).

4. With reference to the head "Printing of Catalogue of the University Library," the Registrar submitted to the Board the Classified Subject Catalogue of the University Library which had already been printed, and recommended that the Catalogues of the Oriental College and Law School Libraries of which the first was already prepared in MS., be added to this as Appendices, and that a general alphabetical Index Catalogue for the whole of the University's book collections be included in the publication. In order to meet the estimated cost of thus completing the work, the Board agreed to provide the sum of Rs. 700 in the ensuing year's Budget.

5. In connection with the head of "Office Establishment" the Registrar laid before the meeting an application of Haji Muhammad, Despatcher and Proof Reader, for an increase of pay. The Registrar brought to the notice of the Board the valuable services rendered by this employé not only in the discharge of his own proper duties for over eleven years, but also in connection with important work previously entrusted to the Accountant.

The Board were prepared to recognize the special value of these services and the clerk's useful qualifications, but did not consider any specific recommendation necessary for the present, as he will reach the maximum pay of his grade only within the ensuing Budget year. It was accordingly agreed that the application be re-submitted for favorable consideration at the end of the next financial year.

6. The Board resolved to recommend that the amount due on account of arrear contributions on the part of the University towards the sanctioned Pension Fund, estimated at Rs. 2,700, be provided from the savings of the closing Budget year and credited to the separate account which is to be opened for this Fund.

7. After the Board had tested the several items of expenditure of the Current Account, it was resolved that the estimates prepared by the Registrar be recommended to the Syndicate for adoption, with the above modifications and with necessary explanatory notes, as shown in Appendix B.

8. In regard to Ways and Means of the Current Account the Board noted that the excess of the estimated income over the estimated expenditure would be only about Rs. 600. At the same time the floating balance expected to be available at the commencement of the new financial year was sufficiently large to permit the sum of Rs. 10,000 to be added from this Account, as under the previous Budget, to the fixed deposit intended as a reserve fund, bearing Rs. 3½ per cent. interest. The Board considered the remainder of the Bank balance indispensible to provide for the heavy expenditure on account of Examiners' fees, &c., which had to be met in the early part of the year, while the corresponding receipts could not be realized until several months later.

9. The estimates for the Special Endowed Trusts and the remaining Accounts of the University were then also adopted for submission to the Syndicate and Senate, as shown in Appendix C.

Confirmed.

T. GORDON WALKER, *Vice-Chancellor.*

M. A. STEIN, *Registrar.*

APPENDIX A.

II.—Proceedings of the Oriental College Committee at a Meeting held in the Senate Hall, Lahore, on Friday, the 10th March 1899, at 4-30 P. M.

PRESENT :

T. GORDON WALKER, Esquire, C.S., *Vice-Chancellor, in the Chair.*

M. MUHAMMAD HUSAIN KHAN, K.B.
Assistant-Surgeon BRIJ LAL GHOSE, R.B.
Dr. M. A. STEIN (*Principal, Oriental College*).
Babu C. N. MITTRA, R.B., *Secretary.*

The Principal, Oriental College, in submitting the Budget Estimates of the Oriental College for the year 1899-1900, explained that these estimates showed no changes as against those of the closing financial year, except such as had become necessary under previous orders of the Syndicate and Senate.

A reduction of the allotment from the University Current Account has become possible for the ensuing year owing to the saving effected by the arrangements made for replacing the late Second Munshi, Persian Department.

In agreement with the proposal of the Principal it was decided to raise the provision for contingencies of the College from Rs. 20 to Rs. 25 per mensem, as the experience of several years had shown that the amount previously allowed was insufficient to meet the expenses which included the cost of repairs for mats, chicks, &c., and of stationery used at the House Examinations of the College. After careful scrutiny of the estimates it was resolved that they be submitted to the Syndicate for adoption as shown in the Appendix.

2. Read letter No. 54, dated 6th instant, from the Principal, Oriental College, forwarding an application from Mahamahopadhyaya Pandit Siva Datta, Head Pandit, Oriental College, for one month's extension of sick leave. Resolved that the desired extension of sick leave on half pay be granted, the Principal being authorized to make, as previously, suitable arrangements for carrying on the Pandit's work at a cost not exceeding the other half of his salary.

3. Read letter from Mr. Shah Din suggesting the distribution of the salary due to the late Maulvi Muhammad Din, M. O. L., among his heirs according to the scale prescribed by Muhammadan Law.

Mr. Shah Din's suggestions were adopted with thanks, and it was resolved that the amount of salary due be distributed accordingly.

4. Read an order addressed to the Registrar, Panjab University, by the Small Cause Court, Lahore, for attachment before judgment of the money sanctioned by the Senate as a compassionate gratuity for the widow and children of the late Bhai Gurmukh Singh, Reader in the Oriental College.

The Committee were of opinion that as the money sanctioned is not a debt due to the estate of the deceased Reader but a charitable grant to his widow and children, it is not subject to attachment by order of a Civil Court, and decided that the Small Cause Court be informed accordingly.

5. Read letter No. 468, dated 27th February 1899, from the Director of Public Instruction, Panjab, enquiring whether M. Ghulam Rasul, who is employed as a teacher in the Central Model School, Lahore, under the Education Department, can consistently with the rules of the University draw a scholarship of Rs. 16 per mensem from the University as a student of the M. O. L. Class of the Oriental College.

The Committee ascertained that M. Ghulam Rasul receives in the Oriental College the same amount of tuition as is usually provided for M. O. L. Class students, and that before obtaining the scholarship in question on the results of the B. O. L. Examination of 1888, he had attended the Oriental College under similar circumstances. The Committee were of opinion that there is nothing in the existing rules of the University debarring this student from drawing the scholarship in question.

6. Read letter No. 24, dated 24th January, 1899, from the Principal, Government College, Lahore, stating that he could not agree to the suggestion as to the use of the Science Laboratory by Oriental College Classes as contained in Resolution No. 3, dated 9th December 1898, of the Oriental College Committee and communicated to him by the Principal, Oriental College. Resolved that the Principal, Oriental College, be instructed to submit the file of correspondence to the Director of Public Instruction, and to request favourable consideration of the Committee's proposals on the grounds detailed in the Committee's previous proceedings on the subject.

7. It was resolved that the sum of Rs. 60-8-0 due for contingent expenses unavoidably incurred in excess of this year's budget provision be paid out of the savings effected from the current budget of the Oriental College.
Confirmed.

T. GORDON WALKER, *Vice-Chancellor.*

C. N. MITTRA, *Secretary, Oriental College Committee.*

III.—Proceedings of the Board of Accounts of the Panjab University at a meeting held in the Senate Hall, Lahore, on Thursday, the 30th March, 1899, at 4-45 P. M.

Present:

Dr. M. A. STEIN, *Registrar.*

The letter dated March, 1899, from the Examiner, Local Accounts, Bengal, to Registrar, submitting draft rules regarding grant of pensions, etc., to employés of the University Office, was laid before the Meeting (see Appendix A).

After consideration of the opinion expressed by Mr. R. A. Gamble, Accountant-General, on the subject of these rules, it was resolved that the specification of the rules in the Civil Service Regulations in Rule 4 of Mr. Ray's draft rules be omitted.

2. It was decided in accordance with the Accountant-General's recommendation that Rule 5 should run thus:—

"Pension deductions and contributions shall not be made during leave other than privilege leave."

And that the last seven words of the rule, as drafted by Mr. Ray, be omitted.

3. The Board were further of opinion that Rules 10 to 15 be cut out and that a general rule referring to the leave rules as sanctioned by the Civil Service Regulations be inserted in their place.

4. The Board held that it was open to the University to extend the period for the concession indicated in Rule 7 from six to fifteen months.

5. The draft rules with the above amendments, as recommended by the Board are given in Appendix B.

Confirmed.

T. GORDON WALKER,
Vice-Chancellor.

M. A. STEIN,
Registrar.

APPENDIX A.

From—G. C Ray, Esq., Examiner of Local Accounts, in Bengal.
To—The Registrar, Panjab University.

WITH reference to your letter No. 369, dated the 27th February, I have the honor to enclose draft of a set of rules for regulating the grant of pension, leave and acting allowance to the employés of the Panjab University, and to make the following remarks:—

(*a*). Leave allowances will be charged direct to the University and the pension fund will have nothing to do with them.

(*b*). I observe that there is a disposition to allow some relaxation in the terms on which payment of arrear subscription should be accepted to enable the subscribers to count past service [see rule 7 *b*]. I should, however, mention that, as it is, the terms are favourable. As regards past service, arrear deductions at the rate of 5 per cent. of the pay even with compound

interest, do not quite represent the value of the liability accepted by the fund, because, if the fund had been in existence say for the last ten years some subscriptions would have lapsed to the Fund by the death of subscribers, *i.e*, in some cases subscriptions would have been received by the Fund without the Fund having to bear any liability on their account. Strictly speaking, the surviving subscribers should be charged with the value of these "lapses" in addition to the arrear contribution payable on their own account. But it is difficult to calculate the value of the "lapses," and it would be inconvenient to the subscribers to increase the arrear payment. I do not, therefore, think that it would be advisable to make the terms still more favourable to subscribers, and I do not consider it necessary. To take an individual case, the head clerk who is the oldest servant of the University has twelve years' back service, but as he is at present 34 years old, he would be entitled to the full pension admissble under the rules at the time of retirement if he only pays arrears for four or five years.

(c). The leave rules given are those applicable to Government servants receiving a salary of less than Rs. 100. Officers drawing more than Rs. 100 have a little more favourable terms for privilege leave. But, as there is only one such officer, I do not think that a separate rule for him is necessary or desirable. I have also omitted the provision regarding furlough which is an alternative to the rules regarding Leave on Private Affairs, as natives of India seldom require furlough

APPENDIX B.

Rules regulating the grant of pensions and gratuities, leave and leave allowances, and acting allowances, to officers of the Panjab University.

These rules shall apply to all persons holding substantive appointments in the Panjab University, except the Registrar and the Assistant Registrar.

In these rules the terms "Superior" Servants, "Inferior" Servants, "Qualifying" Service, "Salary," "Pensions," "Gratuities," "Count," and similar technical terms are used in the same sense that they convey in the Civil Service Regulations.

(3). A contribution of 7 per cent. on the gross salary in the case of each Superior Servant and of 5 per cent. in the case of each Inferior Servant shall be paid by the University and also credited to the Pension Fund.

(4). Pensions, or Gratuities, as the case may be, will be granted from the Fund, in accordance with the rules laid down in the Civil Service Regulations, for ordinary Uncovenanted Servants in the service of Government.

(5). Pension deductions and contributions shall not be made during leave other than privilege leave.

(7). These rules shall come into force from 1st April, 1899, from which date service in the Panjab University will qualify for pension, except in the undermentioned cases:—

(*a*). In the case of Inferior Servants service from the date of employment under the University shall count,

(*b*). in the case of Superior Servants service for any period prior to 1st April 1899, may count if such servants pay (within fifteen months) arrear subscriptions for that period at the rate of 5 per cent. on gross salary with compound interest at $3\frac{1}{2}\%$ per cent. per annum calculated at the end of each half year.

(8). If any Superior Servant pays arrear subscriptions under Rule 7(*b*) the University shall simultaneously transfer to the credit of the Pension Fund an amount equal to ⅞ths of the amount paid by the subscriber.

(9). No Superior Servant shall have any claim to the deductions made from his salary apart from his eligibility for a pension in accordance with the terms of the rules.

(ii). LEAVE, LEAVE ALLOWANCES AND ACTING ALLOWANCES.

(10). Leave, leave allowances and acting allowances will be regulated according to the rules in the Civil Service Regulations applicable to Uncovenanted Governmtnt Servants.

APPENDIX VII.

Extract, paragraph 12, from Syndicate Proceedings, dated 30th March, 1899.

12. The report of the Sub-Committee appointed to consider certain recommendations of the last Educational Conference regarding the admission of private candidates to University Examinations (see Appendix A), was next considered.

(*a*). After careful consideration of the first recommendation of the Sub-Committee, Dr. Ewing proposed, and Dr. Sime seconded, a resolution to the effect that it be recommended to the Senate that the time named in the Rules for both the Middle School and Entrance Examinations defining a public school boy, be altered from six months to *nine* months, and that the corresponding alterations be made in the Regulations as shown in Appendix (B).

This was carried *nem. contra.*

(*b*). The second recommendation of the Sub-Committee was—

"That in Rule 2 of the Regulations for the Middle School Examination, after the word 'certificate' in the second line, the words 'signed by the Head Master of a Secondary School. or by a District Inspector of Schools' should be inserted; and that in the corresponding rule of the Regulation for the Entrance Examination, at the same place, the words "signed by the Head Master of a High School, or by an Inspector or an Assistant Inspector of Schools, should be inserted."

After some discussion in which the Vice-Chancellor, Dr. Sime and other Syndics, present took part, Dr. Sime moved and Mr. Robson seconded a resolution to the effect that the recommendation of the Sub-Committee be submitted to the Senate for sanction.

Mr. Justice Chatterjee, seconded by Khan Bahadur Sheikh Nanak Bakhsh, moved as an amendment that to the words proposed to be inserted in the Middle School Examination Regulations the words "or of a Civil Officer of not less position than a Tahsildár" be added, and that the words proposed to be inserted in the Entrance Examination Regulations be supplemented with the words "or by the Deputy Commissioner of the District."

The amendment having been carried by six votes against three, it was resolved that the revised Regulations showing the proposed changes be submitted to the Senate for sanction (see Appendix B).

(*c*). With reference to the third recommendation of the Sub-Committee aiming at the restriction of the admission of private candidates to the Intermediate and B. A. Examinations, prolonged discussion ensued. In the course of this, attention was called on the one hand to the necessity of strengthening the authority of heads of colleges in regard to the attendance of college students, and on the other to the desirability of allowing *boná fide* private students prevented by various causes from reading in any recognized college, to qualify for academic degrees by private study.

After careful consideration it was unanimously resolved that with a view to meeting the objects set forth on both sides, the distinction of college and private students be introduced into the Regulations for the Intermediate Examination of the Arts, Oriental and Science Faculties as well as into the Regulations for the Bachelor of Arts, Bachelor of Oriental Learning and Bachelor of Science Examinations, and that accordingly the amendment of paragraphs 2 and 3 of the said Regulations be recommended to the Senate as shown in Appendix (C).

(*d*). It was further agreed to recommend that in the event of the above amendments of the Regulations being sanctioned by the Senate and Government, the revised Regulations be made applicable to the respective Examinations of 1902 and subsequent years.

APPENDIX (A).

Proceedings of the Sub-Committee appointed to consider the letter of the Panjab Government concerning the admission of private candidates to the University Examinations, at a meeting held at the Senate Hall, Lahore, on Monday, the 6th February 1899.

PRESENT:

J. SIME, ESQUIRE, C. I. E., L. L. D., *in the Chair*.

REV. J. C. R. EWING, M. A., D. D. | S. ROBSON, ESQUIRE, M. A.

Lala LAL CHAND, M. A.

After a lengthened discussion on the several points referred, it was decided to recommend to the Syndicate, for favourable consideration, the following :—

(1). That the time named in the rules for both the Middle School and Entrance Examinations, defining a public school boy, should be altered from six months to twelve months, as recommended by the Educational Conference.

(2). That in Rule 2 of the Regulations for the Middle School Examination, after the word 'certificate' in the second line, the words 'signed by the Head Master of a Secondary School, or by a District Inspector of Schools' should be inserted; and that in the corresponding rule of the Regulations for the Entrance Examination, at the same place, the words, 'signed by the Head Master of a High School or by an Inspector or an Assistant Inspector of Schools' should be inserted.

(3). That as regards the Intermediate and B. A. Examinations, the following proposals of the Educational Conference, slightly modified, should be adopted :—

(*a*). That, except in the case of *bonâ fide* Masters of Anglo-Vernacular Schools and of failed candidates, no candidate be admitted to the Intermediate and B. A. Examinations unless he has prosecuted a regular course of study in a recognized College.

(*b*). That no candidate be considered to have prosecuted a regular course of study unless he has attended at least 66 per cent. of the lectures in each subject delivered in the College or Colleges to which he has belonged during the previous two years.

J. SIME,
Chairman.

Lahore, dated the 14th March, 1899.

Opinion of P. C. Chatterjee, Esquire, R. B., M. A., B. L., regarding the recommendations of the Sub-Committee.

I regret that owing to ill-health I have not been able to consider the subject and to send these papers with my opinion before this. I understand, however, that there has been no meeting of the Syndicate after that of the Sub-Committee, and I hope, therefore, that the delay will cause no inconvenience.

As regards recommendation (1) of the Sub-Committee, I have considerable hesitation in agreeing to raise the term of attendance from six to twelve months. The former period was fixed after due deliberation, and it seems to me hard to compel a student to read twelve months in a public school if he can prepare himself for the examination in six. In most instances under the proposed rule he will lose a year.

I agree in the second recommendation of the Sub-Committee.

As regards the third recommendation, I venture to suggest that an exception should also be made in favour of those who follow the learned professions. A *Mukhtár* cannot appear at the Licentiate in Law Examination without passing the B. A. Examination. Similarly a first degree in Arts or Science is necessary for qualifying a physician holding the degree of M. B. for that of Doctor of Medicine. The proposed rule will bar the road to further advancement in his profession in the case of the *Mukhtár*.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR No. 8.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, 3rd August 1899.

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS

IN THE PUNJAB.

Sub-head No. 531.
File No. 168.

Custody of files of Income Tax appeals under Section 27 of Income Tax Act.

A PROPOSAL was submitted to the Financial Commissioner for orders, that the files of Income Tax appeals, decided by Commissioners under Section 27 of the Income Tax Act, might with advantage be transferred in original, after disposal by the Commissioner, to the office of the Deputy Commissioner to whose district the assessee belongs, for reference and record.

The present practice, it is understood, is generally to communicate either a copy, or an abstract, of the Commissioner's proceedings or order in each case to the Deputy Commissioner concerned, and to retain the appeal file in the Commissioner's office. It has been represented that while this procedure entails a considerable amount of labour in copying in the Commissioner's office, no useful purpose is served by retaining the original proceedings in that office.

2. After taking the opinions of Commissioners and selected Deputy Commissioners, the Financial Commissioner is pleased to direct that the files of all Income Tax appeals under Section 27 of the Income Tax Act, II of 1886, shall in future be transferred in original, after disposal, from the office of the Commissioner to that of the Deputy Commissioner concerned for reference and record.

By order,

W. M. HAILEY,

[*Translated.*] *Junior Secretary to the Financial Commissioner, Punjab.*

The amount sanctioned for zaildári allowances in each tahsíl should be shown on the decrease side of the rent roll. Where a graded system is not in force and the zaildárs are remunerated in accordance with Rule 171 (iv) and (vi) nothing should be shown in column 14 except in the case of the one village in each zail out of which the inám is assigned : in the case of other villages, whether khálsa, jagír or shared, one per cent. of the total revenue on account of zaildári will be included in column 17 except when jágír income has been exempted under Rule 171 (v).

Sub-head No. 2.
File No. 309.

UNDER the rules appended to paragraph 5 of Revenue Circular 16 a separate character roll in the form given on pages 58-59 of Volume I of the Punjab Revenue Circulars is required to be maintained for each member of the Revenue and Settlement establishments and of office establishments of Deputy Commissioners, Commissioners and the Financial Commissioner, who is in receipt of Rs. 30 per mensem or upwards. For other members of those establishments drawing less than Rs. 30 a general character book is maintained under the orders contained in Financial Commissioner's Circular No. 20 of 1855 and Book Circular No. LVI—23 of 1859.

2. With the previous sanction of the Local Government, the Financial Commissioner now issues the following instructions for information and guidance.

3. A character roll will for the future be maintained for every member of superior service (as defined in Article 435, Civil Service Regulations) of the Revenue and Settlement establishments controlled by the Financial Commissioner and Settlement Commissioner, Punjab, and by Commissioners, Deputy Commissioners and Settlement Officers, and of Judicial establishments controlled by District Magistrates for whom a separate character roll is not at present maintained under the rules appended to paragraph 5 of Revenue Circular 16. The general character book now maintained in each district will therefore be discontinued.

4. The character roll will be in the form prescribed in paragraph 5 of Revenue Circular No. 16, and Parts I, II and IV only will be written up.

5. The entries in the new roll will be written up retrospectively from the entries in the former general character book. Heads of offices should arrange for officials either to write up the entries themselves or get them copied at their own expense. The entries so written up are to be attested by the Head Clerk. The head of the office may fix for his own subordinates the date within which the order should be complied with.

6. These orders will apply only to officials on the Permanent Establishment. No character roll will be maintained for officials on the Temporary Establishment or for officials of inferior service. The rules appended to paragraph 5 of Revenue Circular 16 will, *mutatis mutandis*, apply to the character rolls, the maintenance of which is now directed.

By order,

S. WILBERFORCE,

Offg. Junior Secretary to the Financial Commissioner, Punjab.

Rules for the Guidance of Judging Committees of District Horse Shows.

I.—Only *bonâ fide* horse-breeders of the districts named will be allowed to compete for the above prizes. The Judging Committee will decide as to the eligibility of competitors.

II.—A branded mare of 3 years of age, in foal or with foal at foot, the result of having been covered before 3 years of age, will not be eligible to compete.

III.—Branded mares proved to be barren, *i. e.* mares that have not held to Government stallions for the last two years, will not be eligible to compete.

IV.—No mares or stock will be allowed to compete as "served by Government stallions" or "got by Government stallions," unless a certificate to that effect is produced by the exhibitor. These certificates are obtainable from Officers in charge of stallions.

V.—Branded fillies (Class II) if out of branded mares by Government stallions may also compete in "Class III, Fillies."

VI.—Geldings (Class VII) if out of branded mares by Government stallions may also compete in "Class V, Yearlings" (Colts) and in "Class IV, Remounts," if *purchased* at the Show for Government, Army and Police purposes.

VII.—Intending exhibitors should, on arrival at the Show, apply to the Secretary of the Judging Committee for a ticket or tickets as the case may be, stating the class in which they propose to compete.

VIII.—Each ticket will be worn by the animal as a token of the right to compete.

IX.—When the tickets are given, the Secretary will name the date, hour and place at the Show when and where horses should be brought for examination. A shamiána, or large tent, or shed, to afford shade to the Committee, within a temporary rail enclosure, should be erected to allow of the Members to carefully examine the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

X.—Prizes will be awarded on the day appointed by the President of the Judging Committee.

XI.—A certificate (parwána) will be given to each winner, whether he takes his prizes in money, khillat, or medal, as he may think best.

XII.—Endeavours will be made for the appointment of Judging Committees composed of Military Officers, failing which, it will be locally arranged to obtain the services of Officers attending the Show to act as Judges.

The Deputy Commissioner or Collector of the district will *ex officio* be President; and the Superintendent, Civil Veterinary Department, will act as one of the Judges in the absence of a Veterinary Officer belonging to the Army Veterinary Department.

XIII.—Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class if the stock of that class be not considered worthy of all prizes noted; and the money not awarded may be devoted to the giving of extra prizes in other classes deemed by the Judging Committee as worthy of them, as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any way worthy of it. Discretion is also to be exercised by the Judging Committee to reduce the value of the bigger prizes, and to add smaller ones, in classes where the numbers competing are large.

XIV.—The system of judging the animals competing is left to the discretion of the Committee; but practical soundness in a horse shall, however, be the *sine qua non* for taking a prize, and should not merely count equally with other points of merit. Should any branded mares or fillies be affected with any unsoundness which may be considered hereditary, they will be debarred from the receipt of any prizes.

NOTE 1.—To enable a horse to become eligible to compete in the "Gelding" class, both testicles must have been excised.

2.—The prizes allotted to the "Gelding" class are to be invariably awarded to the best cempeting. Prizes in this class to be awarded only to stock that have been castrated when in possession of their present owners, *bonâ fide* horse-breeders, and provided the Judging Committee are satisfied the animals have been castrated with a view of competing for the prizes.

3.—In the North-Western Provinces, approved mares and fillies were, up to the year 1877, branded V.R.; since that time they have been branded V. I. In the Punjab approved mares and fillies were, up to the year 1885, branded B. M.; since that time they have also been branded V. I. In the Bombay Presidency, Sind and Baluchistán approved mares and fillies are branded  The brand will be found either on the off or near shoulder, or on the saddle place.

4.—In case of remounts not being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for remounts of the other branch of the service. For instance:—If no remounts, over 3 years of age, are bought for the British service, the prizes will be added to Native Cavalry remounts over 3 years of age, and *vice versâ*. None but remounts purchased from *bonâ fide* breeders will be allowed to compete in these classes; the Judging Committee to decide whether the owners of the animals competing are *bonâ fide* breeders or not.

5.—It has been found that, in districts where private studs are maintained by comparatively rich men, several prizes in the same class are, in many cases, awarded to the same owner; and the poorer breeders do not receive so many prizes as they otherwise would; it is therefore ruled that each private stud competing be restricted to only one prize in each class.

6.—In such districts where stallions have been provided by District Boards and Courts of Ward, or are kept by Native gentlemen, and such stallions have been approved by the Officers of the Civil Veterinary Department, prizes shall be awarded from funds subscribed either by District Boards, Provincial, or other sources other than Imperial, and that funds be allotted to the following classes:—

Mares in foal to such stallions.

Mares with foals at foot by such stallions.

Young stock by such stallions.

The ages of the latter class to be left to the discretion of the Judging Committee, so as to best suit each particular district.

7.—The following Rules to be observed in ageing horse and mule stock competing for prizes:—

"Foal"	Over 6 and under 12 months old.
"Yearling"	12 months to under 24 months old.
"Two years old"	24 months to under 36 months old, and so on

No. 164.—*Notification.*—The following Rules have been made by the Financial Commissioner with the previous sanction of the Lieutenant-Governor under Section 2 of the Excise (Spirits) Act (Act XVI of 1863) (1) for ascertaining and determining that spirits proposed to be removed from a licensed distillery for the purpose of being used exclusively in arts and manufactures or in chemistry on payment of duty not exceeding 5 per cent. on the value of such spirits have been effectually and permanently rendered unfit for human consumption ; (2) for causing such spirits to be so rendered, by officers of Government, at the expense of the person wishing to remove them ; and (3) for fixing the value of the spirits on which the *ad valorem* duty should be levied. All previous rules under the aforesaid section are hereby cancelled :—

RULES.

I.—In these rules, unless a different intention appears from the subject or context—

(*a*) "Collector" means the Collector for the time being of the district within the limits of which any distillery is licensed under the Excise Act, XII 1896, and includes any Revenue Officer duly empowered by the Collector or by any higher Revenue authority, to discharge any or all of the functions of a Collector under these rules ;

(*b*) "Officer in charge" means the Excise Officer appointed by the Collector to supervise the working of any distillery licensed under the Excise Act, 1896, on behalf of Government.

II.—(*i*). For the purpose of rendering spirit effectually and permanently unfit for human consumption, within the meaning and for the purposes of Section 1 and Section 2 of the Excise (Spirits) Act, 1863, no substance other than caoutchoucine shall be used :

Provided that, if the spirit to be removed under the provisions of Section (1) of the Excise (Spirits) Act, 1863, be required for use solely in a chemical laboratory or in a museum, the Collector may by special order sanction the use of *wood-naptha* for the purpose of rendering the spirit so required effectually and permanently unfit for human consumption.

(*ii*). When caoutchoucine is used for the purpose of rendering spirit effectually and permanently unfit for human consumption, it shall be mixed with the spirit to be so rendered unfit for human consumption, in the proportion of one part by volume of caoutchoucine to ninty-nine parts by volume of spirit. When wood-naptha is so used, it shall be mixed with the spirit in the proportion of ten parts by volume of wood-naptha to ninety parts by volume of spirit.

III.—(*i*). No consignment of caoutchoucine or wood-naptha intended for use in rendering spirit permanently and effectually unfit for human consumption, shall be brought into a distillery otherwise than with the permission and in the presence of the officer in charge.

(*ii*). Every consignment of caoutchoucine or wood-naptha introduced into a distillery in accordance with the provisions of clause (*i*) of this rule, shall, *firstly*, be examined by the officer in charge, *secondly* be sealed up under the seals of the officer in charge and in his presence, and, *thirdly*, be placed in a room or receptacle and secured by double locks the keys of which are not interchangeable. The key of one lock shall remain with the officer in charge and the key of the other lock shall remain with the proprietor or other person appointed by the proprietor to be in charge of the distillery in his behalf.

(*iii*). Caoutchoucine or wood-naptha stored in a licensed distillery for use in rendering spirit effectually and permanently unfit for human consumption, shall be subject to inspection by, and the approval of, the Collector.

(*iv*). For the purpose of satisfying himself that the caoutchoucine or wood-naptha stored in any licensed distillery is efficacious for the purpose of rendering spirit effectually and permanently unfit for human consumption, the Collector shall, from time to time, but not less than once in each year, send a sample of every separately stored quantity of such caoutchoucine or wood-naptha to the Chemical Examiner of the Punjab Government for the purpose of being tested and its quality and efficacy being reported upon.

IV.—No spirit stored within a licensed distillery shall be rendered effectually and permanently unfit for human consumption, for the purposes of the Excise (Spirits) Act, 1863, and according to the provisions of these rules, otherwise than with the permission and in the presence of the officer in charge.

V.—Every vessel or receptacle at any time used for, or containing spirit so rendered unfit for human consumption, shall be marked by the officer in charge in such manner that it may always be distinguishable from all other vessels and receptacles contained in the distillery, and shall be placed in a room the door of which shall be kept securely locked under double locks, the keys of which are not interchangeable. The key of one lock shall remain with the officer in charge, and the key of the other lock shall remain with the proprietor or other person appointed by the proprietor to be in charge of the distillery in his behalf.

VI.—(*i*). Spirit that has been rendered effectually and permanently unfit for human consumption, in accordance with the provisions of these rules, shall not be passed out from the distillery in which it is for the time being stored otherwise than in accordance with the rules in that behalf for the time being in force, under Sections 9 and 11 of the Excise Act, 1896.

(*ii*). For the purpose of assessing the duty to be paid on such spirit, at the rate prescribed in accordance with the provisions of Section 1 of the Excise (Spirits) Act, 1863, the value of the spirit shall be held to be the same per gallon as the market price at which such spirit is ordinarily sold in the locality and at the time such duty is levied.

VII.—(*i*). When any spirit that has been rendered effectually and permanently unfit for human consumption is about to be passed out from a licensed distillery in accordance with the provisions of these rules, the officer in charge shall prepare, in triplicate, a certificate stating that, to the best of his knowledge and belief, the spirit to be passed out of the distillery under such certificate has been effectually and permanently rendered unfit for human consumption, and specifying the method by which it has been rendered unfit for human consumption.

(*ii*). One copy of the certificate so prepared shall be forwarded to the Collector of the district in which the distillery from which the spirit is being passed out is situate, the second copy thereof shall be sent to the Collector of the district to which such spirit is to be conveyed, and the third copy shall be placed on record in the office of the officer in charge.

VIII.—For the purpose of ascertaining that spirit has been effectively and permanently rendered unfit for human consumption in the manner prescribed, the Collector in whose jurisdiction the distillery is situated, shall not less than once in every six months, and without previous notice to the distiller, cause to be taken from stock a sample of such spirit, amounting to about six fluid ounces, and shall send such sample to the Chemical Examiner for examination and report at the expense of the distiller. A copy of the report of the Chemical Examiner shall be submitted to the Commissioner of Excise.

CIRCULAR No. 9.

FINANCIAL COMMISSIONER'S OFFICE,

Lahore, 18th September 1899.

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS
IN THE PUNJAB.

Custody of duplicate keys.

ON several occasions recently it has been recognised that under the rules now in force the supervision of the duplicate keys belonging to sub-treasuries is difficult and often ineffective. Standing Order of Accountant-General No. 95 and Revenue Circular 40, paragraph 30, contain the present rules on the subject. Standing Order 95 provides that the duplicates of all keys in use at sub-treasuries and treasuries shall be kept in their respective treasure chambers, and the sub-treasury officer's duplicate key to the outer door alone is required to be kept at sadr. Under the present system duplicates are kept in a tin box which is but rarely opened. When the original is lost the treasurer has little difficulty in abstracting the duplicate without the treasury officer's knowledge and so avoiding the expense resulting from the loss of a key. When inspecting the Hoshiárpur treasury Mr. Thorburn noticed that an excellent system had been there adopted. For a description of this system I am directed to refer you to correction slip No. 740 to paragraph 30, Revenue Circular 40, which has just been issued. Mr. Thorburn would be glad if you would have the procedure there described adopted as soon as possible in your Division/District. I am to add that the Accountant-General's Standing Order 95 is being amended.

2. An almirah of the type approved by the Financial Commissioner can be obtained on application to the Deputy Commissioner, Hoshiárpur, at a cost of about Rs. 10, or a plan can be obtained from the Financial Commissioner's Office.

By order,

W. M. HAILEY,

(*Translated.*) *Junior Secretary to Financial Commissioner, Punjab.*

NOTES.

I.—This requisition should reach the District Civil Officer at least a fortnight before the date on which the supplies are required.

II.—This requisition is to be framed by the Commissariat Department and Commanding Officer to the extent each will be responsible for the supplies to be paid for by the State and by troops.

III.—Only the articles shown above can be requisitioned. Further articles, or an excess over the requisitioned amount of authorised articles, cannot be demanded, and the Commanding Officer and Commissariat Agent must make the best arrangements practicable to obtain them.

IV.—Requisition for supplies in excess of actual requirements should on no account be made. If from any cause the quantity provided on indent is subsequently found to much exceed requirements, the official on whose requisition the excess supply was furnished should, in concert with the Civil Officer, make such arrangement for its disposal as may appear best for all concerned.

V.—For transport mules and ponies grain of the cheapest kind locally obtainable to be requisitioned for.

No. 192, dated Lahore, 9th March 1899.

From—M. W. FENTON, Esquire, Revenue and Financial Secretary to Government, Punjab,

To—The Secretary to the Government of India, Military Department.

I AM directed to acknowledge the receipt of your letter No. 241-D., dated 19th January 1899, forwarding, for information, a copy of a revised form of requisition for supplies for troops on the line of march which has been sanctioned by the Government of India.

2. With reference to the correspondence noted in the margin, a copy of which is enclosed, I am directed by the Lieutenant-Governor to inquire whether the Government of India would have any objection to an addition to Note IV of the form which will give publication to the rule accepted by His Excellency the Commander-in-Chief that when supplies have to be *purchased* by the Civil Officer they will be taken over *en bloc* and paid for by the indenting officer, the responsibility of the Civil authorities for such supplies thereon ceasing.

From—Lieut.-Col. E. DEBRATH, Deputy Secretary to the Govt. of India, Military Department,

To—The Quartermaster-General in India.

I AM directed to acknowledge the receipt of your letter No. 5987-A., dated 27th December 1898, bringing to notice the difficulties experienced in furnishing troops with supplies while marching in the Punjab. His Excellency the Commander-in-Chief considers that legislation should be undertaken to bring the laws in that province into accord with those in other parts of the Empire in respect of the furnishing of supplies to troops on the line of march; but, pending the settlement of the question of legislation, His Excellency recommends that, in cases where the civil officers cannot induce shop-keepers and dealers to bring supplies to the encamping-ground, and where the civil officers have in consequence themselves to arrange for the purchase and delivery of the supplies indented for, the Commanding Officers should take over the supplies indented for in bulk, pay for the whole and distribute them regimentally. It is remarked that, in the case of Native corps, the responsibility for surplus supplies should rest with the Commanding Officer, and that the proposed change should apply only to the Punjab.

2. In reply, I am to say that, under the circumstance represented, the Government of India sanction His Excellency's recommendation as a temporary measure, pending the settlement of the question of legislation.

Revenue Circular No. 40.

SUBSTITUTE the following for paragraph 30:—

30. Padlocks for Treasury purposes are supplied by the Financial Commissioner's Office, to which the loss of any keys belonging to such locks should be immediately reported. To every key should be attached a metal label showing its district serial number. All the duplicate keys belonging to the locks of treasuries and sub-treasuries (except the duplicates of the outer door of the sadr treasury, which shall be kept by the Deputy Commissioner and treasurer respectively, and the duplicate key of the treasurer's lock on the outer door of sub-treasuries, which shall be kept by the treasurer) should be kept at the sadr treasury in an almirah under double locks and should be hung on hooks bearing the same district serial number. A list of all keys should be kept in the almirah. In this list there should be stated (*a*) The district serial number, (*b*) Where the lock is used, (*c*) In whose possession the original key is.

When the lock is not in use both keys should be kept in the almirah on their own hook. In all sub-treasuries a list should be kept of the original keys in use there.

When taking over charge of a treasury the relieving officer is required to note and certify that (*a*) all the original keys of the sadr treasury locks, (*b*) all the duplicate keys of the sadr treasury locks except the duplicates of the keys of the outer door of the strong room, (*c*) all the duplicate keys of the sub-treasury locks, except the duplicate key of the treasurer's lock on the outer door, have been made over to his possession by the officer relieved. A copy of this certificate should be forwarded to the Financial Commissioner. In the case of a sub-treasury the relieving officer should certify that all the original keys have been made over to him by the officer relieved, the certificate being sent to the Deputy Commissioner accordingly.

The effect of these changes will be briefly as follows: *All* duplicate keys belonging to locks at sub-treasuries except the duplicate of the treasurer's lock on the outer door will be kept at the sadr treasury under double locks in an almirah in which they will be hung on hooks. On these hooks as well as on all keys a district serial number will be affixed. Every duplicate will therefore be hung on its own hook, and in the case of a lock not having been issued both keys will be placed on their hook. The Treasury Officer or officer inspecting the treasury will therefore be able to see at a glance that none of the keys is missing. A list of keys will also be kept in an almirah. This list will show the numbers and whereabouts of all treasury keys.

Notifications by Chief Court, Financial Commissioner, Accountant-General, &c.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR No. 11.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, 5th October 1899.

To

ALL COMMISSIONERS AND THE SETTLEMENT COMMISSIONER IN THE PUNJAB.

Delay of attestation of mutations in cases of transfers made on registered deeds.

THE Financial Commissioner has noticed from the Quarterly Statements, "Maintenance of village Records," received from the various districts that the arrears of unattested mutations of transfers notified by the Registration Department under paragraph 28 A, Revenue Circular No. 28, and Director of Land Records and Agriculture's Circular No. 7, dated 6th April 1897, are becoming larger every quarter. At the end of 1897-98 the total number of such cases in arrears formed two-thirds of the grand total of mutations written up by the Patwári but not attested.

2. One reason for this disproportion was that a large number of registration cases shown as unattested had really been attested, but the Patwárís and Kánúngos had omitted to return the slips to the tahsíls, and the office Kánúngo had no means of tracing them. This has now been remedied by an alteration of the form of the invoice of slips, and the office Kánúngo will now be able to check the pending lists and bring home delays to the responsible parties.

3. The other reasons for delay which still operate may be briefly summarised as follows :—

(*a*) Alienees are frequently absent at attestation or, if present, do not produce the deeds of transfer fearing perhaps that the terms in the registered deed would be repudiated before the mutating officer.

(*b*) In cases where it is a condition of the transfer that possession be given after a certain harvest they are often kept pending until possession can be given.

4. As to (*a*) the attesting officer should invariably require the attendance of both the alienor and the alienee and on the production by the latter of the registered deed, which is the basis of the transfer, should he find that the parties differ as to the terms of the transaction, he should pass an order in accordance with actual possession, or, if not an Assistant Collector, 1st Grade, refer the case for the orders of the Assistant Collector of that Grade concerned—usually the Revenue Extra Assistant Collector—for disposal as laid down in Section 36 of Act XVII of 1887. Should the deed not be produced and there be no proof of change of possession, the mutating officer should at his discretion either refuse the mutation altogether or fix a date for the production of the deed and settlement of the case. If he is of opinion that one or other of the parties has failed to attend or that the deed is being purposely suppressed, proceedings should be taken under Section 149 or 39 of Act XVII of 1887.

5. As to the class of cases referred to in paragraph 3 (*b*) above the attesting officer should simply reject the mutation on the ground that no possession has been given. This will involve a second entry in the register of mutations when the khasra girdáwari shows that the change has taken place or on a report by one of the parties to that effect. This course will simplify mutation work and secure publicity.

By order,

W. S. HAMILTON,

Senior Secretary to Financial Commissioner, Punjab.

2. In default of such performance, or such security being given within the period specified, or such extended period, if any, as the Deputy Registrar may, for good cause, appoint, an order that the application be consigned to the record room without being laid before a Judge for consideration.

Provided that the Deputy Registrar may refer to a Judge for directions in connection with any order which he proposes to pass, in the matter of any application, under the powers hereby conferred, and shall refer to a Judge any petition duly presented by, or on behalf of, the applicant, for performance or security for performance of any decree or order being dispensed with.

3. When security is required under Rule 2, the order shall direct that it be given in the Court of *first instance*, and proof shall be required by the Deputy Registrar from the Court that the requisite security has been given or the decree or order has been performed, as the case may be, before the expiration of the period appointed therefor.

D. Rules regarding the grant and continuance of Land Revenue assignments and pensions and the procedure to be followed in submitting proposals.

14. The powers of the Local Government as regards the grant and continuance of land revenue assignments are as follows :—

I. (*a*). No new assignments of revenue, other than ináms granted under Chapter III of the Land Revenue Act, 1887, shall be made without the previous sanction of the Government of India.

(*b*). Provided that the Local Government shall have authority, subject to the confirmation of the Government of India, to sanction the grant at settlement of fresh muáfis, not exceeding Rs. 100 per annum in value each, for life or for the term of settlement. The confirmation of such grants may be obtained on a tabular statement in the form contained in the schedule, and this statement may be submitted at the conclusion of settlement operations, and shall show clearly the number and value of all new muáfis of this discription granted during the progress of settlement (Government of India, Revenue and Agricultural Department, letter No. 2594—55, dated 21st November 1892).

SCHEDULE.

Tabular form for reporting Muáfis to the Government of India.

Name of District and Tahsil.	MUAFIS GRANTED UNDER RULE 1 (*b*).				REMARKS.
	For life.		*For term of settlement.*		
	No. of grants.	Total annual value.	No. of grants.	Total annual value.	

II. Subject to the following exceptions, no grant of which the conditions have been defined by any general or special order of the Government of India, or by an order of the Local Government acting under general powers conferred by the Government of India, may be continued on lapse at the end of the term specified in the order, or otherwise modified in favour of the grantee, without the previous sanction of the Government of India.

Exception (*i*).—Grants for village service or for a religious, charitable or other analogus institution which, under orders passed prior to these rules by the Government of India, or by the Local Government in accordance with general powers conferred by the Government of India, are resumable on the expiry of a life or lives or of some other period specified in the order, may on lapse be continued by the Local Government, without reference to the Government of India, for such period as the service is rendered, or the institution kept up, and the assignee well behaved.

Exception (*ii*).—Other grants which, under orders passed prior to the issue of these rules by the Government of India, or by the Local Government in accordance with general powers conferred by the Government of India, are resumable on the expiry of a life or lives, or of some other period specified in the order, may be renewed by the Local Government without reference to the Government of India for a single life: provided that the previous sanction of the Government of India will be necessary in any case referred to in this exception when the amount to be continued—

(*a*) exceeds one-half of the sum enjoyed by the last grantee and is more than Rs. 50 per annum; or

(*b*) does not exceed one-half of the sum enjoyed by the last grantee and is more than Rs. 1,000 per annum (Government of India, Revenue and Agricultural Department, letter Nos. 24—405-2, dated 6th January 1897).

III. If, before the expiry of the term for which an assignment not exceeding Rs. 20 in annual value has been released, it is discovered that the sanction for release was given more than 10 years before by an officer not empowered to give such sanction, the Local Government may sanction release for the life of the existing holder or for the term of settlement (Government of India, Revenue and Agricultural Department, letter No. $\frac{2939}{120}$, dated 10th October 1894).

IV. In the case of grants for village service or for a religious, charitable or other analogous institution of an annual value not exceeding Rs. 20, which have been enjoyed for more than 10 years, the Local Government may, without reference to the Government of India, sanction renewal for a single life or for the term of settlement notwithstanding the fact that the original order for release, or an intermediate order for continuance was, or both such orders were, invalid (Government of India, Revenue and Agricultural Department, letter No. $\frac{2939}{120}$, dated 10th October 1894).

V. All cases falling under Rules III and IV which are disposed of at a land revenue Settlement shall be reported for confirmation to the Government of India in the statement required by rule 1 (*b*) (Government of India, Revenue and Agricultural Department, letter No. $\frac{2939}{120}$, dated 10th October 1894).

14 *A*. The powers of the Local Government with regard to the grant and continuance of pensions are as follows:—

i. On the lapse, by failure of male heirs, of any jágír, muáfi, horseman's share or other revenue free grant in perpetuity, the Local Government will be prepared to receive applications for the grant of life pensions to the widows and daughters and other destitute relatives of the deceased who were dependent on him for support, amounting in the aggregate to not more than one-half the value of the lapsed grant, where such value exceeds Rs. 100 per annum; and where the value of the lapsed grant does not exceed Rs. 100 per annum to not more than Rs. 60 or the actual value of the lapsed grant if below this amount (*vide* orders of Government of India quoted in Financial Commissioner's Circulars Nos. 13 of 1883 and 12 of 1884).

ii. On the lapse of a life assignment the Local Government may grant pensions, not exceeding Rs. 60 per annum in the aggregate in any one case, to the destitute relatives of the deceased holder (Government of India, Department of Finance and Commerce, Resolution No. 2360, dated 31st July 1883).

14 *B.* The powers of the Financial Commissioner with regard to the continuance and resumption of assignments are as follows :—

i. At a general re-assessment of a district the Financial Commissioner shall have power to continue for the term of the new settlement all grants of the annual value of Rs. 50 and under for the maintenance of religious and charitable institutions or of rest-houses made for the term of the expiring settlement, or for the life or lives of the manager or managers of the institution.

ii. Any grant of the annual value of Rs. 50 and under originally released for the life or lives of the manager or managers of any such institution may at a general re-assessment of a district be converted by order of the Financial Commissioner into an assignment for the term of the new settlement conditional on the proper maintenance of the institution, even though one or more of the grantees is still alive, provided that a grant of which the conditions have been altered under this rule shall in no case be resumed until it is liable to resumption under the conditions on which it was originally made.

iii. Any grant of the annual value of Rs. 50 and under made for the life or lives of the manager or managers of an institution may, if the original term of release expires during the currency of a land revenue settlement, be continued by order of the Financial Commissioner conditional on the proper maintenance of the institution for the remainder of the term of the settlement.

iv. The Financial Commissioner may at a general re-assessment of a district continue all grants in favour of village servants of the annual value of Rs. 20 and under for any period not exceeding the term of the new settlement.

v. The Financial Commissioner shall have power to resume any grant of the annual value of Rs. 50 and under at any time when he is of opinion that the conditions under which the grant was made are not substantially fulfilled (Government of India, Revenue and Agricultural Department, letter No. 1392—120, dated 23rd May 1894).

14 *C.* The following rules apply to the submission of proposals for the continuance on personal grounds of revenue assignments and political pensions originally granted for one or more lives only (Punjab Government Resolution No. 488, dated 4th October 1884 amended by Punjab Government letter No. 28, Revenue Free-Grants, dated 11th March 1899) :—

I. The general rule is that pensions, jágírs and revenue-free holdings granted for one or more lives lapse on the death of grantee or holder last entitled, and, if it is proposed further to continue any portion thereof, special grounds must be shown,* more particularly in the case of pensions, as except under the Bedi and Sodhi grant rules no pensions can be continued without the sanction of the Government of India.

II. When proposals are made to continue any part of a revenue-free assignment on personal grounds, the Government will not ordinarily be prepared to consider favourably recommendations for the continuance of a larger share than the Local Government is empowered to continue under Rule 14.

III. When proposals as described in Rule II are necessary, they should be made as soon as possible after the death of the holder. If not made within two years thereof, they will be rejected, unless the delay is sufficiently explained.

IV. Such proposals should not be made unless—

(1) the family of the deceased holder is in destitute or greatly reduced circumstances ; or

(2) the members of the family are unable to support themselves ; or

(3) the deceased holder has rendered important public services of a special kind ; or

* NOTE.—Assignments, however, by way of limited grants, which were granted in recognition of services in 1848 and 1857-58, should not be resumed at the death of the assignee without the previous sanction of the Financial Commissioner (Financial Commissioner's Circular No. 7 of 1890).

(4) there are sufficient political reasons for exceptional liberality, grounded upon the history of the family and its services to the State or its position in the country, or its claims by reason of misfortunes beyond the control of the survivors upon the compassion of the British Government.

V. A proposal for the continuance of an assignment or political pension should be made in the following form :—

REVENUE CIRCULAR NO. 37, RULE 14 C., PAGE 342.

Register of Revenue-Free grant in the ____________ Tahsil of District ____________

1	2	3	4	5	6	7	8	9	10
No. of village.	Name of village.	Name, father's name, age, caste and residence of holder.	Area of land, number of wells, &c.	Revenue.	Term of release under existing orders.	Previous history of grant with reference to orders sanctioning it and note of existing shares.	Opinion of investigating officer.	Opinion of Commissioner.	Opinion or orders of Financial Commissioner.

NOTES.—In column 3, where the existing grantee has succeeded in virtue of being Chela of the former holder, enter instead of "son of ________" "Chela of ________."

In column 7 it should be shown whether the pension or jágír is in lieu of an older one, and if so, the date of the latter should be given. The extent and value of any other grants enjoyed by the same individual or institution should be stated, with the nature of any orders issued in regard to them. In detailing shares, the relationship of the parties should be shown.

In columns 7 and 8 nothing should be omitted which will enable the superior authorities at once to come to an opinion on the merits of the case and the grounds of the recommendations made. If the case under existing rules requires the orders of the Local Government, substitute "opinion" for "orders" in column 10, and add a column headed "Order of His Honor the Lieutenant-Governor."

VI. This form must invariably be accompanied by a pedigree table of the family, and the following questions must be answered :—

(1). What heirs or other relatives who depended upon him for support have been left by the deceased grantee or pensioner ?

(2). What means of subsistence have these persons severally ?

(3). Are any of them, by reason of tender years, sex, or any infirmity, unable to earn their own livelihood.

(4). Had the deceased any special claim on Government for good services rendered which still calls for recognition ? If so, by what precedent is any proposal for the continuance of any portion of his emoluments supported ?

14 *D.* When pensions to the female relatives of a deceased jágírdár or holder of a revenue-free assignment will sufficiently meet the case, proposals should not be made for continuing any part of a life jágír or revenue-free assignment (Punjab Government Resolution No. 488, dated 4th October 1884).

14 *E.* The following rules relate to the submission of proposals for pension for the relatives of holders of lapsed grants :—

I. Except in the case of pensions for women, no pension of less than Rs. 2 per mensem shall ordinarily be proposed. If the limit of the emoluments which may under these rules be proposed is less than Rs. 2 per mensem, and the case is one for special consideration, a lump sum in commutation of pensionary provision may be proposed, calculated in accordance with the general rules for the commutation of pensions (Punjab Government Resolution No. 52, Revenue-Free Grants, of 17th April 1894.)

II. Proposals for the grant of pensions shall be submitted in the following form (Punjab Government Notification No. 411, dated 22nd March 1893, paragraph 11):—

REVENUE CIRCULAR NO. 37, PAGE 342.

Statement of share held by the deceased holder of a Revenue-Free grant in ______ District, and of the provision proposed for relatives.

1	2	3	4	5	6	7	8	9	10	11	12
					DATE OF OUT-STANDING SHARES.		HEIRS OF DECEASED.				
Name of Tahsíl.	Name of village or villages.	Estimated cash value of original grant.	Register in which originally reported, and No. in register.	Aggregate amount previously lapsed or resumed.	Name.	Amount.	Name.	Age.	Pension proposed.	Date of decease and of proposed commencement of pension and grounds of recommendation.	Remarks of Commissioner.

NOTE.—1. If a share only of any village be held, the fraction representing that share, and if only a plot of land, its area, should be shown in column 2 under the name of the village.

2. The name and share of the deceased should be entered in columns 6 and 7 in red ink.

3. All the immediate heirs and their ages should be entered in columns 8 and 9, the amount of pension being entered in column 10 against the names of those only for whom pension is proposed.

Value of the share how to be calculated.

III. In calculating the value of the share under these rules, any sum which was payable as commutation for service should be deducted, and where the pension to be granted would be the equivalent of the actual value of the share, an abatement of not less than 6 and not more than 8 per cent. should be made to cover the risk of seasons and expense of collection. In case of proved over-assessment, the pension sanctioned may be subsequently reduced, so as not to exceed a real equivalent (Punjab Government Notification No. 411, dated 22nd March 1873, paragraph 10).

Date of commencement of such pensions.

IV. The commencement of pensions granted to relatives of deceased holders of lapsed grants shall be deferred until the heirs have realised the full revenue due for the season, the crop of which had been sown before the death of the holder. Under this rule, the pension will usually commence on the 1st July after enjoyment of the rabi harvest, and on the 1st January after enjoyment of the kharíf harvest.

The heirs will be responsible for any collections they may make after they realised the revenue of the season, the crop of which had been sown before the death of the holder (Punjab Government Notification No. 411, dated 22nd March 1873, paragraph 12).

V. It should in each case be stated—

(*i*). If the jágír or other tenure was of long standing and the surviving members of the family are in reduced circumstances.

(*ii*). If the deceased holder has done some good service to Government.

VI. *Books for sale.*—With reference to a suggestion by the Secretary that something might be done expeditiously to dispose of the books advertised for sale in the *Punjab Gazette* for the past seven or eight years, it was decided that a list of these books might be circulated among the members of the Committee, with the reduced price proposed by the Secretary noted against each, on the understanding that the books, unless some member is of opinion to the contrary, will be sold by auction, if they are not disposed of otherwise within three months of the notification of the reduced prices.

VII. *Cataloguing the Blue Books and Reports.*—With reference to the cataloguing of the reports and blue books, referred to in the proceedings of the Committee dated the 4th March 1898, the Secretary reported that the Reports relating to Punjab and India were all catalogued. He stated that many of the blue books and reports were in paper covers only, and that they would be better taken care of, and their stock-taking take much less time, if they were bound in limp cloth or thick paper cover. Before coming to a decision as regards the proposal, the Committee decided that the Secretary might write to ascertain from the Punjab Government and the Financial Commissioner their wishes as to the preservation or otherwise of the reports or blue books of various kinds presented by them to the Punjab Public Library.

K. B. THAPAR,
Secretary, Punjab Public Library.

Copy of letter dated Lahore, 1st December 1899, from E. LEWIS, Esq., Auditor, to the Secretary, Punjab Public Library, Lahore.

1. I HAVE the honour to report that I have to-day finished the audit of your Accounts for the year ending the 30th November 1899.

2. The Receipts were duly credited, and the entries are borne out by the acknowledgments given and the Bank and Post Office Pass Book. The classification of the Receipts in the Annual Abstract is also correct, with the exception of Rs. 5, grant from the Chiniot Municipal Committee, which I have transferred from the head 'Subscriptions and Donations' to 'Municipal Grants.'

3. Each item of expenditure has been duly vouched for, and I have cancelled the vouchers.

4. The Balance Sheet is correct, and the balance of Rs. 1,548-10-11 at the end of the year is made up of Rs. 25 cash in hand, and Rs. 1,523-10-11 in the Bank of Bengal, which is borne out by the Bank Pass Book.

5. The Monthly Abstracts of Receipts and Expenditure under the different heads are correct, with the exception of wrong classification in a few instances, such as Rs. 1-8-9 for Relief of Menial Servants : this should go under head 'Establishment' and not under 'Punkha Coolies' ; Rs. 3-4-0 for a lamp in November should go under head "Furniture" and not under 'Kerosine oil.' The Refunds on account of subscriptions are shown under head 'Contingencies', which should I think go under head 'Refunds of Deposits and Subscriptions' or a separate head "Miscellaneous."

6. The following accounts are not shown in the Balance Sheet presented, *viz.*, The Reserve Fund and the Deposit Account. I have, however, satisfied myself as to the correctness of these accounts. The Post Office Savings Bank Book shows one thousand rupees to the credit of the Reserve Fund at the end of the year. The Deposit Account entries are duly entered in the Cash Book and the Monthly Abstract, and are borne out by the Post Office Savings Bank Book and the Receipt Books.
